## My Best Friend

Samuel is my best friend. We're alike in some ways. For example, Samuel likes sports, and I do, too. We're both outgoing and popular in school. His favorite subject is English. Mine is, too. However, he is much more hard-working than me. So he is better at schoolwork most of the time.

But we are different in other ways. I'm more serious than Samuel. I have a bigger nose. Samuel likes to chat on MSN, but I usually talk on my cell phone. I live near the school. So I walk to school. But he usually rides his bike to school except on rainy days. Samuel plays the guitar in the school band, and I play the drums. We are different in small ways, but we're alike in ways that count, like surfing and swimming at the beach.
