Keep jumping high—Zheng Yun-Huai Wins the Medal

【龍門國中英語資優方案記者游婕琳、巫珮瑩 審稿/劉弦格老師】

Zheng Yun-Huai (鄭筠懷) from Tsai-Hsing High School (再興高中) won the first place in the senior high girl's High Jump competition. She failed in other competitions before, but she overcame all the things and got the champion today.

"I would like to thank my parents and the coach," Zheng Yun-Huai said after today's competition, "because they really support me." She made her best jump, 166 cm, after trying three times. It made her defeated her opponents from other schools. Although she did great today, she was upset of having too much pleasure. "Then I started to believe myself," she said, "and everything becomes better!"

As for Zheng Yun-Huai, keeping practicing high jump is the most important thing now. She would like to be a professional high jumper one day, and we hope we can see her again on the court in the future!
